

Equine REVIVE®

***Nutrient Enhanced
Electrolyte Solution -***

*Maintains fluid level balance and
supports overall health and vitality*

- ✓ **Electrolytes**
- ✓ **B-vitamins**
- ✓ **Omega 3 & 6**
- ✓ **Antioxidants**

Feeding Instructions

40 mls per horse dosed orally. Always ensure clean fresh water is available.

May be used once per day or as necessitated by exercise frequency and intensity.

Under adverse conditions (illness, extreme temperatures, strenuous exercise, travel) administer full dose twice daily.

For best results, use in conjunction with the regular feeding of other palaMOUNTAINS Equine products. Keep product stored in a cool place, between 50°F (10°C) and 77°F (25°C). Keep out of direct sunlight.
